BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

Cancellation of Certificate of Service Authority and Cancellation of Tariff of Pacific South Telecom, Inc.	)))	**File No. XD-2011-0216**

WITHDRAWAL OF STAFF MOTION

COMES NOW the Staff of the Missouri Public Service Commission and states as follows:

1. On December 30, 2010, the Staff filed a Motion to Cancel the certificate of service authority granted on April 13, 2008, to Pacific South Telecom, Inc. ("the Company"), because it reported no Missouri jurisdictional revenue for the past two years. Staff's motivation for its filing was not to be punitive, but to merely remove those telecommunications companies not actively involved in providing services in Missouri to better maintain the Commission's records.

2. On February 7, 2011, the Staff received the attached e-mail, in which the company indicates that although it is not presently conducting telecommunications business in Missouri, it expects to have facilities in place to do so in the near future. The Staff's Motion, if granted, could impede the Company's efforts to provide telecommunications services in Missouri, which the Staff views as an undesirable result.

WHEREFORE, Staff withdraws its Motion to cancel the Certificate of Service Authority and tariff for Pacific South Telecom, Inc. and asks that this matter be closed without further Commission action.

Respectfully submitted,

Colleen M. Dale

Subject: PACIFIC SOUTH TELECOM REQUESTS WITHDRAWAL OF MOTION TO CANCEL CERTIFICATE

Cully,

Thank you very much for your time this morning. Pacific South Telecom hopes to do business in Missouri during the year 2011. We have had our certificate for a couple of years, but various operation matters have prevented us from installing a network. Buy we hope to do so this year.

Please withdraw your request for cancellation of our certificate.

The file Nos. that are shown on our notice are XD-2011-0216 and LO-2008-0294.

Thank you for your assistance, and please confirm that you are withdrawing your motion.
