MOTION FOR ADDITIONAL TIME

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), Spire Missouri Inc. d/b/a Spire ("Spire Missouri"), and the Office of the Public Counsel ("OPC"), ("otherwise known as the Parties"), by and through undersigned counsel, hereby moves for additional time to submit a Joint Proposed Procedural Schedule.

1. On November 2, 2026, Spire Missouri filed its tariff sheets to implement a general rate increase for Spire East and Spire West.

2. On November 4, 2026, the Commission issued an Order directing Staff to file a Joint Proposed Procedural Schedule no later than November 24, 2026.

3. Since the issuance of the Order above, Staff and the parties have been working on a joint proposed procedural schedule along with the parties of the Evergy West general rate case, due to the simultaneous rate case filings.

4. During the discussions with the parties and the Commission regarding setting hearing dates, it was determined that the contemplated dates for the hearings for both cases will not work in July 2027, due to parties attending the NARUC Summit during the same timeframe.

5. The parties will need additional time to further discuss the joint proposed procedural schedule in order to develop a schedule that will not conflict with both rate cases.

6. Spire Missouri and the OPC have been contacted regarding this request for additional time, and the parties indicated they have no objection to the Motion for Additional Time.

WHEREFORE, for the above-stated reasons, Staff respectfully requests the Commission order Staff to file a joint proposed procedural schedule no later than December 7, 2026, and to grant such other and further relief as the Commission considers just and reasonable under the circumstances.

Respectfully submitted,

/s/ J. Scott Stacey
