APPLICATION FOR CERTIFICATE OF SERVICE AUTHORITY TO PROVIDE BASIC LOCAL AND NON-SWITCHED LOCAL EXCHANGE INTEREXCHANGE TELECOMMUNICATIONS SERVICE AND FOR COMPETITIVE CLASSIFICATION

Comes now FidelityLink, LLC ("Applicant"), by its undersigned counsel, and hereby applies pursuant to Sections 392.361, 392.410, 392.420, 392.430, 392.440, 392.450, 392.451 and 392.455 RSMo., the Federal Telecommunications Act of 1996, 4 CSR 240-2.060 and 4 CSR 240-3.510, for a certificate of service authority to provide basic local and non-switched local exchange telecommunications service in portions of the state of Missouri and to classify said service and company as competitive. In this application, Applicant seeks authority to provide basic local and non-switched local telecommunications service in the service territories of Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri, Embarq Missouri, Inc.; CenturyTel of Missouri, LLC; and Spectra Communications Group, LLC (all d/b/a "CenturyLink"), and Windstream Missouri, Inc. Additionally, Applicant requests that its basic local service be classified as competitive and that certain statutes and regulations be waived. In support of its application, Applicant states as follows:

- 1. Applicant is a limited liability company duly organized and existing under and by virtue of the laws of the State of Missouri. A copy of Applicant's certificate of good standing from the Missouri Secretary of State is attached hereto as <u>Appendix A</u>. A summary of Applicant's senior managerial and industry experience demonstrating that Applicant possesses the managerial and technical expertise to provide the services it proposes is attached as <u>Appendix B</u>.
- 2. All inquiries, correspondence, communications, pleadings, notices, orders and decisions relating to the case should be addressed to:

W.R. England, III Brian T. McCartney Brydon, Swearengen & England P.C. 312 East Capitol Avenue P.O. Box 456 Jefferson City, MO 65102-0456

Jason L. Ross FidelityLink, LLC 64 North Clark Sullivan, MO 63080

3. By this Application, Applicant seeks authority to offer and provide basic and non-switched telecommunications service on a facilities-based and resold basis to customers in exchanges currently served by: (a) Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri (AT&T Missouri), and (b) Embarq Missouri, Inc., CenturyTel of Missouri, LLC, Spectra Communications Group, LLC (all d/b/a "CenturyLink"), and (c) Windstream Missouri, Inc. (Windstream). The exchanges within which Applicant proposes to offer service will be listed in Applicant's initial proposed tariff. Applicant's proposed service areas will follow the respective exchange boundaries of the stated

incumbent LECs and shall be no smaller than an exchange as required by Section 392.455(3) RSMo.

- 4. Pursuant to this Application, Applicant proposes to offer and provide all forms of basic local telecommunications service, including (but not limited to): (a) Basic Exchange Services, including local exchange flat rate; (b) Custom and Class Features, including call waiting, caller ID, call forwarding, etc.; (c) Ancillary Services such as 911, directory listing, and directory assistance, and (d) non-switched local services.
- 5. Applicant possesses the technical and managerial expertise and experience necessary to provide the services it proposes. **See Appendix B**. Applicant's affiliate, Fidelity Telephone Company, an incumbent local exchange carrier, has been providing service in its certificated Missouri service area since 1940.
- 6. Applicant possesses the necessary financial resources and abilities to provide the services it proposes as required by Section 392.455(1), RSMo. Attached is the Affidavit of Mr. Jason L. Ross, General Counsel, attesting that Applicant possesses sufficient technical, financial, and managerial resources and abilities to provide basic local telecommunications service, and that Applicant has access to the necessary capital to conduct its proposed operations in Missouri.
 - 7. Applicant seeks classification of itself and its services as competitive.
- 8. Applicant will offer basic local telecommunications service as a separate and distinct service in accordance with applicable law. Applicant will give consideration to equitable access for all Missourians, regardless of where they might reside or their income, to affordable telecommunications services in the proposed service areas in accordance with applicable law.

9. Applicant will comply with all applicable Commission rules other than those that are waived by the Commission and is willing to meet all relevant service standards. Additionally, Applicant agrees that, pursuant to Section 392.455(3) & (4) RSMo 2000, its service area shall be no smaller than an exchange. Consistent with the Commission's treatment of other certificated competitive local exchange telecommunications companies, Applicant requests the following statutes and regulations be waived for Applicant and its basic local exchange services offerings.

A. Statutes

392.210.2 Accounting requirements (system of accounts)

392.240.1 Reasonableness of rates

392.270 Accounting requirements (valuation of property)

392.280 Accounting requirements (depreciation/accounts)

392.290 Issuance of Stocks, Bonds and Other Indebtedness

392.300 Transfer of Property

392.310 Approval of Issuance of Stocks, Bonds and Other Indebtedness

392.320 Certificate of Approval for Dividends

392.330 Accounting for Disposition of Proceeds

392.340 Reorganization

- 4 CSR 240-33.150 "Anti-slamming" requirements
- 4 CSR 240-33.160 Customer Proprietary Network Information
- 10. Applicant requests a temporary waiver of 4 CSR 240-3.510(1)(C), which requires that an application for a certificate of service authority to provide basic local exchange service shall include a proposed tariff with a 45-day effective date, but allows applicants the option of postponing tariff submittal. Applicant will file such a tariff in a manner consistent with the Commission's practices in similar cases before providing basic local service.
- approval of this application because Applicant's proposed services will create and enhance competition and expand customer service options consistent with the legislative goals set forth in the federal Telecommunications Act of 1996 and Chapter 392 RSMo. Prompt approval of this application also will expand the availability of innovative, high quality and reliable telecommunications services within the State of Missouri.

 Accordingly, all the services that Applicant proposes to provide should be designated as competitive, and Applicant should be designated as a competitive telecommunications company.

- 12. Applicant submits, notwithstanding the provisions of Section 392.500 RSMo, as a condition of certification and competitive classification, Applicant agrees that, unless otherwise ordered by the Commission, Applicant's originating and terminating switched exchange access rates will be no greater than the lowest Commission-approved corresponding access rates in effect for each ILEC within those service area(s) Applicant seeks authority to provide service.
- 13. Applicant does not have any pending action or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates which action a judgment, or decision has occurred within three years of the date of this application.
- 14. Pursuant to 392.470.1 and 392.361.6, Applicant will undertake all necessary measures to ensure its contracts with underlying carriers do not contain provisions preventing delivery of traffic to any telephone exchange area of Missouri. Such measures include but are not limited to:
 - a. Prevention of call blocking and/or call gapping based on the cost of traffic termination.
 - b. Preventing the alteration of stripping of Calling Party Number identification.
 - Ensuring sufficient network capacity exists to process all traffic according to industry accepted practices.

WHEREFORE, Applicant respectfully requests that the Commission grant it a certificate of service authority to provide basic local and non-switched local exchange

telecommunications services as herein requested, classify Applicant and its proposed services as competitive, and grant a waiver of the aforesaid statutes and regulations.

Respectfully submitted,

/s/ Brian T. McCartney
