☐ Residential System

☐ Commercial System

Waste Strength _____ lbs BOD₅/Day

Flow _____ Daily Average

Cost of Service Connection \$4800.00

This is a one time fee to install a STEP or STEG unit and connection to Wastewater Collection System and all applicable appurtenances for this service area. The Service Connection Cost must be paid in full before any installation will begin.

Monthly Rate

Customer agrees to pay a monthly rate of \$32.00 per month for sewer service. This charge shall begin upon installation of tank.

Deposit

A deposit equal to \$64.00 shall be made for all new customers.

Payment is due by the 1st (first) of the following month. If payment has not been received by the 15th of the month the company reserves the right to discontinue service. A late payment charge of \$6.50 will apply per each delinquent month. If delinquency of payment results in discontinuation of service there will be a charge to reconnect service, based on the Company's cost of reconnection which is not to exceed \$300.00 without prior notification of cost.
