ORDER CLARIFYING INTERVENTIONS

Issue Date: March 10, 2006

Effective Date: March 10, 2006

On February 1, 2006, Kansas City Power & Light Company submitted to the Commission proposed tariff sheets intended to implement a general rate increase for electrical service provided in its Missouri service area. The Commission issued an Order and Notice on February 3, in which it gave interested parties until February 23 to request intervention.

That same order referred back to a stipulation in Commission Case No. EO-2005-0329, which stated that all non-KCPL parties who were signatories to the stipulation were automatically intervenors in this case. In its February 3 Order and Notice, the Commission named those parties intervenors in this case. To attempt to clarify any possible confusion, the Commission will list the non-KCPL signatory parties from the stipulation in Case No. EO-2005-0329, and will grant them intervention by name.

IT IS ORDERED THAT:

1. As provided in the Stipulation and Agreement from Commission Case No. EO-2005-0329, the following non-KCPL signatories of that Stipulation and Agreement are granted intervention: the Staff of the Commission; the Office of the Public Counsel; the

Missouri Department of Natural Resources; Praxair, Inc.; Missouri Industrial Energy Consumers; Ford Motor Co.; Aquila, Inc.; The Empire District Electric Company; Missouri Joint Municipal Electric Utility Commission; and the City of Kansas City, Missouri.

2. This order shall become effective on March 10, 2006.
