On October 30, 2014, the City of O'Fallon, Missouri and the City of Ballwin, Missouri submitted their First Set of Data Requests to Union Electric Company, d/b/a Ameren Missouri as a filing in the docket sheet for this case.<sup>1</sup> The Commission's rule on discovery-4 CSR 240-2.090(2) – states that data requests are "an informal written request for documents or information that may be transmitted directly between attorneys, agents, or employees of the commission, public counsel, or other parties." Because they are intended to be informal, data requests, and responses to them, should not be filed in the docket sheet for the case. For that reason, the data requests have been removed from the docket sheet. This action does not affect the validity of the data requests.
