Games CONTINUE to be played w/this case; it's a joke!

Attached is the running communique of what I said regarding setting a July date. Yes, I said after July 4th was fine, but you're trying to be so "technical" w/me saying the "1st full week". However, I followed that up w/TWO consecutive emails giving the ACTUAL dates I was available. You failed to mention this, but gave false information again saying I didn't respond.

Now, **AUGUST 8TH THROUGH 12TH** is when I'm next available; these dates are my ONLY availability!!!

PS - Kennard Jones, who was "acting" as "judge" was to have issued my subpoena for the June 3rd date. I'm not sure if this was done, so take into consideration that there will need to be ANOTHER subpoena issued for Leon Edmond in timely enough fashion for it to correspond w/whatever August date - between the 8th and 12th - is chosen. IF in fact I need to process ANOTHER request, please advise.
