STAFF'S LATE-FILED EXHIBIT

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and for its revised response to the Missouri Public Service Commission's (Commission) June 16, 2010 Order directing Staff to submit a late-filed exhibit, states as follows:

1. On June 21, 2010, Staff submitted its late-filed exhibit responding to the Commission's June 16, 2010 Order, which directed Staff to outline its most current recommendations for rate base and the specific dollar amount Staff recommends the Commission consider for additions to plant for True-up.

2. Staff's filing was based upon information obtained after the true-up hearing reflecting its belief that an agreement in principle had been reached between Staff and Lake Region Water & Sewer Company (Lake Region) regarding the ratemaking treatment of funds received as contribution in aid of construction (CIAC) and customer advances. However, subsequent to Staff's filing, it learned that the Lake Region and Staff did not have an agreement.

3. Therefore, attached hereto, Staff submits its revised late-filed exhibit responding to the Commission's June 16, 2010 Order directing Staff to outline its most current recommendations for rate base and the specific dollar amount it recommends the Commission consider for additions to plant for True-up. This revised exhibit substitutes for the June 21st

filing in its entirety. Staff's updated late-filed exhibit is based upon parties *Unanimous Stipulation of Undisputed Facts* filed on March 16, 2010.

WHEREFORE, Staff respectfully requests the Commission accept this revised late-filed exhibit.

Respectfully submitted,

/s/ Jaime N. Ott
