Case No. GA-2006-0561

ORDER CANCELING PREHEARING CONFERENCE
AND DIRECTING FILING

Issue Date: September 8, 2006

Effective Date: September 8, 2006

On September 1, 2006, the Missouri Public Service Commission granted the Staff of the Commission's motion to set aside the requirement that Staff file its recommendation on September 5. As part of its order the Commission set this matter for a prehearing conference to be held on September 12.

On September 7, Ozark Energy Partners, LLC filed a motion to reschedule the prehearing conference. In its motion, Ozark stated that "key personnel of, and consultants to" Ozark have scheduling conflicts. Ozark suggested that the prehearing conference be rescheduled for September 25.

The Commission has reviewed Ozark's motion and, finding it reasonable, will grant the requested relief. The Commission will also direct that the parties to this matter file a statement indicating whether September 25 is a date amenable for a prehearing conference.

IT IS ORDERED THAT:

1. The prehearing conference scheduled for September 12, 2006 is canceled.
2. The parties to this matter shall file, no later than September 14, 2006, a pleading stating whether September 25, 2006 is a date amenable for a prehearing conference.
3. This order shall become effective on September 8, 2006.
