**REPORT TO THE COMMISSION
CONCERNING PREHEARING CONFERENCE**

COMES NOW the Staff of the Missouri Public Service Commission with the agreement of the parties to the case, including Robert F. Morgan and Laclede Gas Company (Laclede), and submits a Report Concerning the Prehearing Conference.

1. On August 9, 2006, Dr. Robert F. Morgan filed a formal complaint with the Commission against Laclede challenging his bill for the time his meter was not functioning properly.
2. On October 23, 2006 in Compliance with the Commission's October 12, 2006 Order Setting Prehearing Conference and Directing Filing of Procedural Schedule the parties, with the exception of the Office of the Public Counsel, attended a prehearing conference.
3. As a result of the discussions at the prehearing conference, the parties have tentatively reached a settlement and expect that a Notice of Dismissal of Complaint will be filed in the next 20 days.

WHEREFORE Staff requests the Commission accept Staff's Report and suspend any additional procedural requirements pending the filing of a Notice of Dismissal.

Respectfully submitted,

/s/ Lera L. Shemwell
