File No. ER-2022-0337
Tracking No. YE-2023-0031

SECOND ORDER CORRECTING LOCAL PUBLIC HEARING NOTICE

Issue Date: November 23, 2022

Effective Date: November 23, 2022

On November 17, 2022, the Commission issued its Order Setting Local Public Hearings regarding Union Electric Company d/b/a Ameren Missouri's general rate case. That order was corrected in an order issued on November 21, 2022. It has come to the Commission's attention that the address provided for the local public hearing in St. Charles is incorrect. This order will correct that error. All other provisions of the Order Setting Local Public Hearings remain in effect.

THE COMMISSION ORDERS THAT:

1. No later than ten days before the local public hearings, Ameren Missouri shall provide notice of the hearings to each of its customers. Such notice shall use the following corrected language:

NOTICE OF LOCAL PUBLIC HEARINGS ON AMEREN MISSOURI'S ELECTRIC RATES

On August 1, 2022, Union Electric Company d/b/a Ameren Missouri filed a general rate request with the Missouri Public Service Commission ("Commission") designed to increase Ameren Missouri's annual gross revenues (exclusive of applicable gross receipts, sales, franchise or occupational fees or taxes) from its Missouri electric retail customers by about \$316 million, or approximately 11.61%. About \$40.76 million of that annual increase is due to increases in Ameren Missouri's fuel and purchased power costs. Ameren Missouri is requesting to rebase and continue its Fuel Adjustment Clause ("FAC") with modifications. Ameren Missouri is proposing to increase its fixed residential customer charge from \$9.00 per month to the following:

Rate Plan	Proposed Fixed Monthly Residential Customer Charge
Anytime User	\$13
Evening/Morning Savers	\$13
Overnight Savers	\$13
Smart Savers	\$11
Ultimate Savers	\$9

While the amount will vary by residential rate plan and usage pattern, Ameren Missouri is proposing to increase the monthly bill of a residential customer using about 1,017 kilowatt-hours of electricity by approximately \$12.28, or 11.64%. Ameren Missouri estimates that, on average, its proposed rate increase will have the following annual customer bill impacts:

Service and Rate Classification	Annual Bill Change \$	Bill Change %
1(M) Residential Service	\$147.43	11.64%
2(M) Small General Service	\$245.70	11.64%
3(M) Large General Service	\$6,024.06	11.58%
4(M) Small Primary Service	\$40,712.69	11.53%
11(M) Large Primary Service	\$378,627.26	11.59%
5(M) Lighting - Company Owned	\$83.51	11.49%
6(M) Lighting – Customer Owned	\$246.39	13.91%

If the Commission approves Ameren Missouri’s request to continue its FAC, Ameren Missouri will continue to adjust (credit or bill) the “Fuel Charge” on its electric customers’ bills three times each year, on February 1st , June 1st, and October 1st, based on each customer’s electrical usage and the difference between Ameren Missouri’s actual energy cost (i.e., the varying costs of fuel used to generate electricity at its generating units plus electric energy it purchases on behalf of its customers) and its base energy cost during each four-month accumulation period. For a residential customer using 1,017 kilowatt-hours of electricity a month, Ameren Missouri estimates that the impact of rebasing energy costs in its FAC equates to an increase in such a customer’s usage charges of \$1.58 per month.

The Commission will host question-and-answer sessions for the public followed by local public hearings at the following locations and times (live unless designated virtual where public participation is by WebEx video or by telephone).

The Commission will not attend the informal question and answer sessions. Immediately following each informal question and answer session, the Commission will conduct a formal local public hearing to receive testimony or other evidence from members of the public. If you are not a party to this case, you may testify or offer other evidence to the Commission during a local public hearing. Anyone may attend the informal question and answer sessions and the local public hearings; however, the Commission may limit members of the public from testifying or presenting evidence at more than one local public hearing.

To facilitate an orderly hearing that can be preserved for the record, members of the public who wish to testify or present other evidence to the Commission during a **virtual** local public hearing should register by sending their first and last name to pscinfo@psc.mo.gov or by calling 1-800-392-4211 by 5 PM the day before the hearing.

To attend a virtual local public hearing by telephone, at the time of the hearing call toll-free 1-855-718-6621, listen to the prompt and enter the meeting number followed by # (pound/hashtag symbol). If prompted for a passcode, enter 0337. To attend a virtual local public hearing by Webex video (internet), visit the website www.webex.com. You can also download the Cisco WebEx meetings application on your mobile device, laptop, desktop or tablet prior to the hearing and join the meeting at the hearing time by entering the corresponding meeting number and passcode listed above.

Additionally, a live audio web stream at the Commission’s website, www.psc.mo.gov, will provide audio of the question and answer session and hearing. Anyone who does not intend to participate in the question-and-answer session or speak to the Commission during the hearing should listen via the web stream.

Local public hearings are an opportunity for members of the public to testify or present other evidence directly into the record Commissioner's review.

Separate from the local public hearing, anyone wishing to comment on, or inquire about, Ameren Missouri's request may do so as follows:

Submit your public comments at https://psc.mo.gov/General/Submit_Comments (please reference case number ER-2022-0337)

Contact the Commission's Staff by

- (a) Telephone at 1-800-392-4211;
- (b) Writing to Public Service Commission Staff, P.O. Box 360, Jefferson City, Missouri 65102;
- (c) E-mail to pscinfo@psc.mo.gov, electronically (public comments only) at https://psc.mo.gov/General/Submit_Comments (please reference case number ER-2022-0337); or

Contact the Office of the Public Counsel by

- (a) Telephone at 573-751-4857 or toll-free at 866-922-2959;
- (b) Writing to the Office of the Public Counsel, P.O. Box 2230, Jefferson City, Missouri 65102, or
- (c) E-mail addressed to opcservice@opc.mo.gov.

Generally, parties can see comments, but making a comment does not make that comment evidence before the Commission.

The Commission will conduct an evidentiary hearing at its offices in Jefferson City beginning April 3, 2023, to receive evidence from the parties to Case No. ER-2022-0337 regarding Ameren Missouri's general rate request. Members of the public may attend this hearing, except those portions the Commission closes to the public to prevent the public disclosure of sensitive information that may cause irreparable harm. This hearing will be held in a building that meet accessibility standards required by the Americans with Disabilities Act.

If additional accommodations are needed for someone who wishes to participate in or attend any hearing, please call the Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 prior to that hearing.

2. Comments at the hearing will be limited to five minutes per person.
3. The Commission's Public Policy and Outreach Department shall make notice of this order available to the members of the media and the General Assembly representing customers in Ameren Missouri's electric service areas.

4. The Commission's Data Center shall provide a copy of this order to the county commission for each county in Ameren Missouri's service area and to the Board of Alderman for the City of St. Louis.

5. This order shall be effective when issued.
