

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of the Application of Kansas City)	
Power & Light Company for Approval to Make)	<u>Case No. ER-2007-0291</u>
Certain Changes in its Charges for Electric)	Tariff No. YE-2007-0541
Service to Implement of its Regulatory Plan)	

ORDER AND NOTICE

Issue Date: February 6, 2007

Effective Date: February 6, 2007

On February 1, 2007, Kansas City Power & Light Company submitted to the Commission proposed tariff sheets intended to implement a general rate increase for electrical service provided in its Missouri service area. The proposed tariff sheets bear a requested effective date of January 1, 2008.

According to KCPL's press release attached to the application, the tariff sheets are designed to produce an annual increase of \$45 million in KCPL's Missouri jurisdictional revenues, which would be an 8.3 percent increase. That same press release stated that a typical Missouri residential customer would see a six dollar per month increase in charges. Together with its proposed tariff sheets and other minimum filing requirements, KCPL also filed prepared direct testimony in support of its requested rate increase.

The Commission has reserved dates for a true-up hearing. The Commission notes that in Case No. EO-2005-0329, it approved of KCPL's agreement with signatories to a stipulation that the test year in this case would be based upon a historic test year ending December 31, 2006, (initially filed with nine months actual and three months budget data), updated for known and measurable changes as of June 30, 2007, with a true-up through

September 30, 2007, and with KCPL filing a reconciliation in the true-up proceeding on or about October 21, 2007.

The Commission will schedule the hearing dates in this order. By establishing the hearing dates now, the Commission will ensure that this matter is heard as expeditiously as possible. Additionally, the early establishment of the hearing dates will allow ample time for notice to be sent to customers. The Commission will also set an early prehearing conference and require the parties to file a proposed procedural schedule with additional filing dates for testimony, a second prehearing conference, local public hearings, the statement of issues and position papers of the parties, and the reconciliation. The Staff of the Missouri Public Service Commission shall have primary responsibility for the proposed procedural schedule. Staff should coordinate the proposed schedule with KCPL, the Office of the Public Counsel, and any intervenors, where possible.

The Commission finds that proper persons should be allowed 20 days from the issuance of this order to file a motion for leave to intervene. The Commission notes that in Case No. EO-2005-0329, KCPL agreed that the other signatories to the stipulation could intervene. The Commission therefore names each of the non-KCPL signatory parties from Case No. EO-2005-0329 intervenors. The Commission further notes that the Sierra Club and Concerned Citizens of Platte County were parties to Case No. EO-2005-0329, but not signatories to the stipulation. The Commission's Data Center shall serve a copy of this order upon the Sierra Club and Concerned Citizens of Platte County to give them notice and an opportunity to request intervention.

Furthermore, the Commission's Data Center shall serve a copy of this order upon the county commission of each county in KCPL's Missouri service area. In addition, the

Commission's Public Information Office shall make notice of this order available to the media serving KCPL's Missouri service area and to the members of the Missouri General Assembly representing the residents of KCPL's service area.

The Commission will authorize Staff to file a complaint seeking a reduction in the Company's revenues if its audit reflects that the Company's earnings are excessive.

IT IS THEREFORE ORDERED THAT:

1. Any proper person or entity desiring to intervene in this matter shall file an application no later than February 26, 2007, with:

11. The Staff of the Missouri Public Service Commission is hereby authorized to file a complaint seeking a reduction in Kansas City Power & Light Company's revenues if its audit reflects that the earnings are excessive. Any such complaint shall be filed in this case.
