Certain Changes in its Charges for Electric)	Tariff No. YE-2008-0369
Service to Implement Its Regulatory Plan)	

ORDER DIRECTING FILING

Issue Date: January 2, 2008

Effective Date: January 2, 2008

On December 21, 2007, the Commission approved Tariff No. YE-2008-0369, and ordered that the tariff be effective as of January 1, 2008. On December 31, 2007, Praxair, Inc., and the Office of The Public Counsel filed motions for rehearing of that order.

Praxair also filed a motion to stay the effectiveness of the tariffs and a motion for expedited treatment. But because Praxair did not file those motions until after 3:00 p.m. on December 31, 2007, and asked the Commission to stay the effectiveness of the tariffs by January 1, 2008, KCPL and Staff would have had virtually no time to respond, and the Commission would have had virtually no time to rule upon those motions.

The Commission will now order KCPL and Staff to respond.

IT IS ORDERED THAT:

1. Kansas City Power & Light and the Staff of the Commission shall respond to the above-referenced motions no later than January 14, 2008.

2. This order shall become effective on January 2, 2008.
