Issue Date: March 15, 2006

Effective Date: March 15, 2006

On February 1, 2006, Kansas City Power & Light Company submitted to the Commission proposed tariff sheets intended to implement a general rate increase for electrical service provided in its Missouri service area. The Commission issued an Order and Notice on February 3, in which it gave interested parties until February 23 to request intervention.

On March 3, International Brotherhood of Electrical Workers, Local Unions Nos. 412, 1464, and 1613 filed a Motion for Leave to File Application to Intervene Out of Time. The Locals stated that they were unaware of the February 23 deadline until after the deadline had passed, and that no party would be prejudiced by its request. The Locals further stated that they represent employees who may be affected by a final order of the Commission in this case, and that as such, their interest is different from that of the general public, and their interest cannot be adequately represented by any other party.

Commission Rule 4 CSR 240-2.080(15) allows parties ten days to respond to motions. KCPL did not respond to the application. Therefore, the Commission will take it up unopposed.

Commission Rule 4 CSR 240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed application, the Commission finds that the Locals meet the standard in Commission Rule 4 CSR 240-2.075(4). Therefore, the Commission will allow the Locals to intervene.

**IT IS ORDERED THAT:**

1. The Motion for Leave to File Application to Intervene Out of Time filed by International Brotherhood of Electrical Workers, Local Unions Nos. 412, 1464, and 1613 is granted.
2. The Application to Intervene of the International Brotherhood of Electrical Workers, Local Unions Nos. 412, 1464 and 1613, is granted.

3. This order shall become effective on March 15, 2006.
