ORDER ESTABLISHING TIME TO RESPOND TO REVISED
COMPLIANCE TARIFFS

Issue Date: July 10, 2007

Effective Date: July 10, 2007

On June 28, 2007, the Commission issued an Order Denying Applications for Rehearing, Granting Clarification, and Correcting Order Nunc Pro Tunc. In that order, the Commission clarified its previously issued Report and Order to specify the net salvage percents to be used in calculating the depreciation rates for specific plant accounts. The Commission also ordered AmerenUE to file revised tariff sheets to reflect the revised calculations. On July 6, 2007, Union Electric Company, d/b/a AmerenUE, filed a tariff intended to comply with the Commission's Order. Along with its tariff, AmerenUE filed a motion asking the Commission to expedite its consideration of that tariff so it may go into effect on July 23, the date that AmerenUE's billing system is able to apply the revised rates to customers' bills.

So it can consider AmerenUE's revised compliance tariff promptly, the Commission will direct its Staff to file a recommendation regarding that tariff. Any other party wishing to respond to AmerenUE's revised tariff shall do so at the same time.

IT IS ORDERED THAT:

1. Staff shall file its recommendation regarding Union Electric Company, d/b/a AmerenUE's revised compliance tariff no later than July 13, 2007.
2. Any other party wishing to respond to Union Electric Company, d/b/a AmerenUE's compliance tariff shall do so no later than July 13, 2007.
3. This order shall become effective on July 10, 2007.
