**ORDER GRANTING INTERVENTIONS**

Issue Date: March 8, 2007

Effective Date: March 8, 2007

On February 1, 2007, Kansas City Power & Light Company submitted to the Commission proposed tariff sheets intended to implement a general rate increase for electrical service provided in its Missouri service area. The Commission issued an Order and Notice on February 6, in which it gave interested parties until February 26 to request intervention.

That same order referred back to a stipulation in Commission Case No. EO-2005-0329, which stated that all non-KCPL parties who were signatories to the stipulation were automatically intervenors in this case. In its February 6 Order and Notice, the Commission named those parties intervenors in this case. The Commission will list the non-KCPL signatory parties from the stipulation in Case No. EO-2005-0329, and will grant them intervention by name.

Also, the Commission received timely intervention requests from: Missouri Gas Energy, a division of Southern Union Company; Trigen-Kansas City Energy Corporation; and Pershing Road Development Company, LLC.

Commission Rule 4 CSR 240-2.080(15) allows parties ten days to respond to motions. KCPL did not respond to these applications to intervene. Therefore, the Commission will take up these applications unopposed.

Commission Rule 4 CSR 240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed applications, the Commission finds that each of the applicants meets the standard in Commission Rule 4 CSR 240-2.075(4). Therefore, the Commission will grant each of the above-mentioned applications to intervene.

**IT IS ORDERED THAT:**

1. As provided in the Stipulation and Agreement from Commission Case No. EO-2005-0329, the following non-KCPL signatories of that Stipulation and Agreement are granted intervention: the Staff of the Commission; the Office of the Public Counsel; the Missouri Department of Natural Resources; Praxair, Inc.; Missouri Industrial Energy Consumers; Ford Motor Co.; Aquila, Inc.; The Empire District Electric Company; Missouri Joint Municipal Electric Utility Commission; and the City of Kansas City, Missouri.

2. The applications to intervene filed by Missouri Gas Energy, a division of Southern Union Company; Trigen-Kansas City Energy Corporation; and Pershing Road Development Company, LLC are granted.

3. This order shall become effective on March 8, 2007.
