

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of Kansas City Power & Light Company for Approval to Make Certain Changes in its Charges for Electric Service to Implement its Regulatory Plan))))	Case No. ER-2007-0291
--	------------------	-----------------------

**STAFF'S MOTION FOR ADDITIONAL TIME
TO FILE A PROPOSED PROCEDURAL SCHEDULE**

Comes now the Staff of the Missouri Public Service Commission (Staff) and moves the Missouri Public Service Commission's (Commission) for more time to file the proposed procedural schedule the Commission ordered be filed by March 21, 2007, in its *Order and Notice* issued on February 6, 2006. In the Commission's *Order and Notice*, the Commission scheduled the evidentiary hearings in this case for September 4-7, 10-14 and 17-21, 2007, and an early prehearing conference for March 14, 2007. The Commission held the early prehearing conference on March 14, 2006, as scheduled, and the parties who attended discussed a procedural schedule and certain other procedural matters. The Staff has prepared alternative schedules and circulated them to all the parties, but, likely due to other matters such as the current hearing in AmerenUE's pending rate case, has not received sufficient feedback from the parties in this case that the Staff would file a proposed schedule at this time. Based on the discussions at the prehearing conference, the Staff anticipates the procedural schedule it ultimately proposes will propose the Commission move the evidentiary hearing dates from September 4 through 7, September 10 through 14, and September 17 through 21, 2007 to Oct. 1-5 and 9-12, 2007, with a true-up hearing on November 8, 2007, if needed. The Staff will file a proposed procedural schedule for this case as early as it reasonably can, and anticipates doing so no later than the end of this month.

Wherefore, the Staff moves the Commission for additional time by which to file the proposed procedural schedule the Commission ordered be filed by March 21, 2007.

Respectfully submitted,

/s/ Nathan Williams
