NOTICE

Comes now Missouri Gas Energy ("MGE"), a division of Southern Union Company, and hereby notifies the Commission that on February 18, 2003, in compliance with the Settlement Agreement and Satisfaction of Complaint approved by the Commission herein on December 19, 2002, MGE provided a written report to the Commission Staff regarding the steps taken by MGE and documenting the progress of those steps. In that report, MGE also advised the Staff that MGE had completed all necessary steps pertaining to the settlement agreement and, as such, that asked that such report be accepted as MGE's final report. MGE inadvertently failed to file notice with the Commission at the time of providing that report to the Staff and this notice is intended to correct that omission.
