Data Request No. AG/UTI-186

Ref: Direct Testimony of Charles D. Naslund, page 9 (Callaway Relicensing) According to Mr. Naslund's testimony, "As of now, AmerenUE has made no decision as to whether it should request an extension of the Callaway license." Please respond to the following:

- a. Is AmerenUE or Mr. Naslund aware of any Callaway safety issues that would serve to preclude license renewal for an additional 20 years if reviewed pursuant to NRC Part 54 rules (10 CFR Part 54)?
- b. If your response to part (a) is affirmative, please identify and describe each known safety issue and explain any activities or expenditures that would be required to remedy the issue(s).
- c. Is AmerenUE or Mr. Naslund aware of any Callaway environmental issues that would serve to preclude license renewal for an additional 20 years if reviewed pursuant to NRC Part 51 rules (10 CFR Part 51)?
- d. If your response to part (a) is affirmative, please identify and describe each known environmental issue and explain any activities or expenditures that would be required to remedy the issue(s).
- e. Provide complete copies of reports, analyses, workpapers, projections and other documents associated with your responses to parts (b) and (d).

Response:

- a) No, since the relicensing process has not started, we are not aware of any safety issues that would preclude license renewal for an additional 20 years.
- b) We are not aware of any at this time since the licensing process has not started.
- c) No, since the relicensing process has not started, we are not aware of any environmental issues that would preclude license renewal for an additional 20 years.
- d) We are not aware of any at this time since the licensing process has not started.
- e) No reports, analyses, workpapers, projections and other documents have been prepared at this time since the relicensing process has not yet started.
