vs.

Case No.

Company Name: MO Public Service
Respondent

COMPLAINT

Complainant resides at 3610 E. 56th St. KCMO
(address of complainant)

1. Respondent, MO Public Service
(company name)

of 8733 Tennessee
(location of company), is a public utility under the jurisdiction of the Public Service Commission of the State of Missouri.

2. As the basis of this complaint, Complainant states the following facts:

MO Gas Energy wants to charge me, Kenneth Mabrie II for a meter that I did not move. I called to have service turned on at the address above (3610 E. 56th). When I asked for service to be turned on, I didn't know a meter was out there that had been moved. I assumed the meter at the property belonged there. If the meter was illegally moved, I had no idea it was. If the meter was moved, it was moved before ^{my son} I got the house. (Kenneth Mabrie II)

3. The Complainant has taken the following steps to present this complaint to the Respondent:

I have talked to MO Public Gas Co. numerous times about the allegations. They stand firm on their position, and refuse to listen to my side. They still think I illegally put the meter at 3610 E. 56th St. All I want is proof that I moved the meter, and they can't give that to me. Every time I call MO Public Gas, it's ~~basically~~ pretty much the same thing. That's why I'm writing you this letter. I don't think I should have to pay \$400 plus dollars for allegations. I am innocent until I am proven guilty.

WHEREFORE, Complainant now requests the following relief:

I don't want to pay for something illegal I had nothing to do with. All the MO Public Gas Co. can prove is that there is an illegal meter there. They can't prove that I am the one who moved the meter. I'm not saying the meter isn't stolen, what I am saying is that I didn't do it, and MO Public Gas can't prove otherwise. I shouldn't have to ~~pay~~ pay for a meter I didn't steal. I would like the charges to dropped because I didn't move or steal a thing.
