**Re: Farber Telephone Company**

Dear Mr. Roberts:

Enclosed for filing on behalf of Farber Telephone Company, please find an original and eight (8) copies of a Motion for Expedited Treatment of Tariff Filing and please find three (3) copies of the following revised tariff sheet:

P.S.C. MO. NO. 3, 3<sup>rd</sup> Revised Sheet No. 2.3, Cancels 2<sup>nd</sup> Revised Sheet No. 2.3

The proposed revisions are to introduce new language that will allow future changes in the Federal baseline Lifeline reduction amount to be implemented through a reference to the Company's Federal Access Tariff. Similar language has been approved in the Missouri tariffs of other local exchange carriers.

Please see that this filing is brought to the attention of the appropriate Commission personnel. If there are any questions regarding the attached, they may be directed to me at the above number.

Thank you in advance for your cooperation in this matter.

Sincerely,

Sondra B. Morgan

**MOTION FOR EXPEDITED TREATMENT OF TARIFF FILING**

Comes now Farber Telephone Company ("Farber") and for its Motion for Expedited Treatment of Tariff Filing pursuant to 4 CSR 240-2.065(2) and 240-2.080(17) states to the Missouri Public Service Commission ("Commission") as follows:

1. On June 5, 2002, the Federal Communications Commission ("FCC") released an Order increasing the subscriber line charge ("SLC") for residential and single-line businesses from \$5.00 to \$6.00. This increase becomes effective July 1, 2002. In this same Order, the FCC also announced that the SLC will increase from \$6.00 to \$6.50 on July 1, 2003.

2. Farber's current Lifeline tariff lists the current SLC charge, \$5.00, as the Federal baseline Lifeline reduction. Farber's Lifeline tariff must, therefore, be revised to reflect the change in the SLC charge and, to be consistent with Federal law, the tariff must be effective July 1, 2002.

3. Farber is on this date filing a tariff revision with a thirty (30) day effective date that will fall after July 1. Therefore, Farber respectfully requests that the Commission expedite approval of this tariff filing so that the revision can be made effective July 1.

4. If the Commission grants this request for expedited treatment, Lifeline subscribers will receive the Federal baseline reduction of the full \$6.00 rather than the current \$5.00, thus
