# ORDER TO PROVIDE NOTICE TO CITIES AND COUNTIES OF ELECTRIC RATE INCREASE AS REQUIRED BY SECTION 393.275.1, RSMO

Issue Date: June 2, 2022 Effective Date: June 2, 2022

Section 393.275.1, RSMo (2016) requires the Commission to notify the governing body of each city or county imposing a business license tax on gross receipts of any electric corporation of any approved rate increase for that electric corporation that exceeds seven percent. Further, the statute requires the Commission to:

include with such notice to any city or county the percentage increase approved for the utility, together with an estimate of the annual increase in gross receipts resulting from the tariff increase on customers residing in that city or county.

Section 393.275.2 then requires the taxing authority to reduce its tax rate to reduce the amount of revenue collected under the tax.

On April 6, 2022, the Commission approved an increase in The Empire District Electric Company d/b/a Liberty's annual revenues, from its provision of electric service, by more than seven percent.

As required by the statute and Commission Rule 20 CSR 4240-10.060(1), Liberty has submitted a list of the cities and counties within its service territory that impose a business license tax on its gross receipts, along with an estimate of the annual increase

in gross receipts resulting from the rate increase on customers residing in that city or county. That list and revenue increase estimate is attached to this Notice.

#### THE COMMISSION ORDERS THAT:

- 1. The Commission's Data Center shall provide a copy of this order to each city or county identified by Liberty.
  - 2. This order is effective when issued.

BY THE COMMISSION

Morris L. Woodruff

Secretary

John T. Clark, Senior Regulatory Law Judge, by delegation of authority pursuant to Section 386.240, RSMo 2016.

Dated at Jefferson City, Missouri, on this 2<sup>nd</sup> day of June, 2022.
