STAFF STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission ("Commission"), by and through counsel, and states the following the following:

1. On September 11, 2015, Commerce Tower Group, LLC, ("CTG") filed a complaint against Veolia Energy Kansas City, Inc. ("Veolia"). That same day the Commission issued an order directing Veolia to file its answer to the complaint no later than October 12, 2015, and directing the Staff to file its report no later than November 16, 2015. CTG later filed an amended complaint on September 18, 2015.

2. CTG and Veolia have informed the Staff and the Commission that they are working toward a settlement of the complaint. On November 3rd, the Commission issued its order extending the time for Veolia to file its answer to November 19th but did not set a new date for Staff to file its report.

3. Accordingly, Staff suggests the Commission reset the date for Staff to file its report to December 18, 2015, or thirty (30) days after the date that the Commission may reset for Veolia to file its answer in the event of a future request of the parties.

WHEREFORE, Staff prays the Commission accept its status report in lieu of its report on the complaint and issue any such further orders as are just in the circumstances.

Respectfully submitted,

/s/ Robert S. Berlin
