ORDER EXTENDING TIME TO RESPOND TO MOTION TO DISMISS

Issue Date: April 29, 2011

Effective Date: April 29, 2011

St. Louis Natural Gas Pipeline, LLC., filed a complaint against Laclede Gas Company on March 22, 2011. Laclede filed its Answer to that complaint on April 21, along with a motion asking the Commission to dismiss the complaint. The Commission established May 6 as the date for the Pipeline and other interested parties to respond to Laclede's motion.

On April 29, the Pipeline filed a motion asking that it be allowed an additional week to prepare and file its response to Laclede's motion to dismiss. The Pipeline's motion represents that Laclede does not object to its request for additional time.

The Pipeline's motion for additional time to respond is reasonable and the Commission will grant that motion

THE COMMISSION ORDERS THAT:

1. Any party wishing to respond to Laclede Gas Company's Motion to Dismiss shall do so no later than May 13, 2011.

2. This order shall become effective immediately upon issuance.
