**NOTICE: MEMORANDUM OF UNDERSTANDING MOTION TO SET-ASIDE ORDER GRANTING MOTION TO DISMISS OF AUGUST 19, 2015. MOTION TO FILE MEMORANDUM OF EXHIBITS OF AUGUST 27, 2015. AFFECTING THE UNTIMELY LITIGATION OF THE COURTS.**

Come Now Plaintiff Cloris Banks Torrey respectfully move the Court to file Memorandum of Understanding Motion to set aside Order Granting Motion to Dismiss issued signed on August 19, 2015 and Motion to file Memorandum of Exhibits pursuant to Local Rule 30.2. Plaintiff respectfully shows Evidence in Support of Motion. That:

A memorandum of understanding (MoU) describes a bilateral or multilateral agreement between two or more parties. It expresses a convergence of will between the parties, indicating an intended common line of action. It is often used in cases where parties cannot create a legal commitment or in situations where the parties cannot create a legally enforceable agreement. It is a more formal alternative to a gentleman's agreement.

Where or not a document constitutes a binding contract depends only on the presence or absence of well- defined legal elements in the text proper of the document (the so called, "four corners"). The required elements are: offer and acceptance, consideration and the intention to be legally bound (animus contrahend).

In the U.S. the specifics can differ slightly depending on whether the contract is for goods; (falls under the Uniform Commercial Code (UCC) or services (falls under the common law of the state). States the following: The Missouri (PSC) under responsibility of Chairman, Daniel Y. Hall do not have Jurisdiction to determine the facts of case number 4:16-CV01676-CDP, ED 101491 and 13SLCC02395 outlining the Admissible Evidence and permitting discovery which prepares the case for competency hearing set at the earliest date available by way of the Clerk of the Court and by the Court General Calendars.

Compliant in all edges that Respondent Laclede Gas Company is a party acting as a Shell Company for the State of Missouri and both are named in the law suit at 4:16 CV01676-CDP ED 101491 and 13SLCC02395, all of which are suppressing and shielding the Bank's Accountability for alleged fraudulent activities that it freely plagued and prays on the masses of the poor and deprived.

This memorandum notice Plaintiff attaches the following evidence in addition to material already in the Court's file as Exhibit (AA p. 1-2-) Exhibit (BB p. 1-2), Exhibit (CC p.1-5) and Exhibit (DD p. 1- 22) as support for this motion herein filed with the Courts to be admitted as evidence that will facilitate the facts finding process.

Plaintiff prays: (a) that the Court declares that the actions of Respondents complained of herein are in violation. Under the Civil Rights Act of 1871 (42 U.S.C.A Section 1983, Fourteen Amendment, and Fourth Amendment. (b) That Respondents are ordered to take affirmative action to ensure that the activities complained of above never again are engaged in by them or any of their agents; (c) That Respondents, their agents, employees, and successors are permanently enjoined from discriminating on the basis of familial status against any persons in violation of the protected rights (d) That appropriate compensatory and punitive damages are awarded to Appellant and against Respondents; (e) That Plaintiff is awarded its cost and reasonable attorney's fees in this action; and (f) That Appellant is awarded such other and further relief as the Court deems just and proper.

Jury Demand Pursuant to Fed. R. Civ. P.38 Appellant hereby demands trial by jury on all issues of controversy in the amount of over \$100.00 dollars.

ORDER GRANTING MOTION  
TO DISMISS

Issue Date: August 19, 2015

Effective Date: September 18, 2015

The Commission held a prehearing conference on June 1, 2015. On that date Laclede Gas Company and the Staff of the Commission were present. Cloris and Ronald Torrey (Complainants) appeared and presented what is titled: "Affidavit 'Rejection of Invitation to Contract for Discovery'". In that document, among other things, Complainants challenged the subject matter jurisdiction of the Secretary of the Commission and stated that the Secretary has no subject matter jurisdiction. After handing the "Affidavit" to everyone present, Complainants left the hearing room without making any oral statement. The document was subsequently filed in the docket.

The Commission proceeded to go on the record to receive entries of appearances of those present. While on the record, Laclede informed the Commission that Complainants, who protested Laclede's request to inspect gas pipes, have terminated service with

Laclede. Because Complainants no longer have service, Laclede points out that the need to inspect the pipes is moot. Laclede therefore moved for the dismissal of this complaint.

The Commission directed Complainants to respond to Laclede's motion. Complainants then filed what is titled "Notice Memorandum of Exhibits Pursuant [to] Rule 3.2 Expedited Litigation." The document is captioned as being filed in U.S. District Court of the Eastern District of Missouri. Although Complainants' filing may have been prompted by the Commission's order, it was effectively nonresponsive. However, on July 28, 2015, the Commission again directed Complainants to file a response to Laclede's motion. In its order, the Commission informs Complainants that failure to effectively respond to the motion may result in this complaint being dismissed.

Complainants then filed what is titled: "Memorandum Missouri PSC Order Dated July 28, 2015, Plaintiffs Motion to Reopen and File New and Material Evidence and Exhibits" and is captioned as being filed in the U.S. District Court of the Eastern District of Missouri. This filing, like the first one, is non-responsive.

Complainants have failed to respond to Laclede's motion. Because the motion is unopposed, the Commission finds that the complaint is moot and will grant the requested relief.

**THE COMMISSION ORDERS THAT:**

1. Laclede Gas Company's motion to dismiss is granted.
2. This complaint is dismissed without prejudice.

3. This order shall become effective on September 18, 2015.
4. This file shall be closed on September 19, 2015.

In re: to Torrey v. JP Morgan Chase Bank N.A. ("Chase")  
Case Number 4: 14-cv-01676-CDP

Dear Honorable Michael Horowitz:

This is a written request for the U.S. Inspector General to investigate alleged in this complaint fraudulent activities by JP Morgan Chase Bank N.A. ("Chase") and for proof from the United States Bankruptcy Court and case number where I filed, participated in bearing my genuine signature that debts were indeed included in a Chapter 13 Bankruptcy debt relieve plan on October 5, 2012.

I contend that I, Cloris Banks Torrey fka Cloris Warren, did filed Chapter 13 bankruptcy July 1998 in the U.S. Bankruptcy Court Eastern Division St. Louis Case number: 98-47544-399 Loan Number 258-000-09764 JP Morgan Chase Bank N.A. (Chase) was not named as Creditor to the 1998 bankruptcy. In that debt of \$49,600 dated August 14, 1995 included in the Chapter 13 bankruptcy. Herein attached as **Exhibit A**. The Chapter 13 bankruptcy discharged on March 2002.

However, on July 15, 2015 Chase allegedly reported false and misleading information on my credit report to the Credit Reporting Agencies in regard to the August 1995 loan discharged debt of \$49,600 through Chapter 13 bankruptcy on October 5, 2012 whereas, recent balance of \$0 as of June 2013. Herein attached as **Exhibit B**.

Consequently, I was retired in 2012 did not work, did not file Chapter 13 Bankruptcy. I was drawing social security benefits as reflected in the 2012 ("1099") verification of benefits. Herein attached as **Exhibit C**.

Subsequently on or about June 17, 2015 and on or about April 21, 2015 correspondences sent from CHASE to informed Torreys lender -placed insurance on Torrey's property. Herein attached as **Exhibit D**.

On or about August 21, 2015 correspondence from Jeffery Parks Fiscal Services Manager St. Louis County Revenue with regard to Torrey's Real Property tax record a duplicate payment posted on Torrey's account by Chase on 12/05/2013 for \$1,062.27 In addition, duplicate payment was posted on Torrey's account by Chase on December 4, 2014 for \$1,307.65. Herein attached as **Exhibit E**.

Finally, thank your in advance for your consideration on assisting me on this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Cloris Banks Torrey", with a large, stylized loop at the end.

### 1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ 49,600.00 (this amount is called "principal"), plus interest, to the order of the Lender. The Lender is

AMERICAN EQUITY MORTGAGE, INC.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

### 2. INTEREST

Interest will be charged on unpaid principal until the full amount of principal has been paid. I will pay interest at a yearly rate of 11.75 %.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

### 3. PAYMENTS

#### (A) Time and Place of Payments

I will pay principal and interest by making payments every month.

I will make my monthly payments on the first day of each month beginning on October 1, 1995.

I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I owe under this Note. My monthly payments will be applied to interest before principal. If, on September 1, 2000, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "maturity date."

I will make my monthly payments at 111 West Port Plaza, #101, St. Louis, MO 63146, or at a different place if required by the Note Holder.

#### (B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. \$ 504.47.

### 4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Note Holder in writing that I am doing so.

I may prepay all or any part of the unpaid balance of the principal at any time, in which event Note Holder may, at its option, assess a prepayment penalty of 2.00% of the amount prepaid in the first three years (36 month period).

By accepting partial payment of any payment, Note Holder does not waive the right to collect the remainder of such payment. Acceptance of any payment after maturity, or waiver of any breach or default of the terms of this Note shall not constitute a waiver of any later or other breach or default, and failure of Note Holder to exercise any of its rights shall not constitute waiver of such rights.

### 5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the principal I owe under this Note or by making a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial prepayment.

### 6. BORROWER'S FAILURE TO PAY AS REQUIRED

#### (A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.00 % of the payment. I will pay this late charge promptly but only once on each late payment.

#### (B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

#### (C) Acceleration

If I am in default, the Note Holder may without notice or demand, unless otherwise required by applicable law, require me to pay immediately the full amount of principal that has not been paid and all the interest that I owe on that amount.

#### (D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

#### (E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees of up to 15.00% of the sums due under this Note or the amount allowable under applicable state law.

### 7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a written notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section 1(A) above or at a different address if I am given a notice of that different address.

### 8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

### 9. WAIVERS

I and any other person who has obligations under this Note waive the rights of notice of acceleration, presentment and notice of dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

### 10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

**Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within sixty days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property.

Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. **Mortgage Insurance.** If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. **Notice.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. **Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

18. **Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees of up to 15.00% of the sums due under the Note described above or the amount allowable under applicable state law; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. **Sale of Note; Change of Loan Servicer.** The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. **Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

**NON-UNIFORM COVENANTS.** Borrower and Lender further covenant and agree as follows:

21. **Acceleration; Remedies.** Following Borrower's breach of any covenant or agreement in this Security Instrument, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 21, including, but not limited to, reasonable attorneys' fees of up to 15.00% of the sums due under the Note described above or the amount allowable under applicable state law and costs of title evidence.

If Lender invokes the power of sale, Lender or Trustee shall mail copies of a notice of sale in the manner prescribed by applicable law to Borrower and to the other persons prescribed by applicable law. Trustee shall give notice of sale by public advertisement for the time and in the manner prescribed by applicable law. Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder for cash at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property to any later time on the same date by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's fees and attorneys' fees of up to 15.00% of the sums due under the Note described above or the amount allowable under applicable state law; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

22. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.

23. Substitute Trustee. Lender, at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder by an instrument recorded in the county in which this Security Instrument is recorded. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

24. Lease of the Property. Trustee hereby leases the Property to Borrower until this Security Instrument is either satisfied and released or until there is a default under the provisions of this Security Instrument. The Property is leased upon the following terms and conditions: Borrower, and every person claiming an interest in or possessing the Property or any part thereof, shall pay rent during the term of the lease in the amount of one cent per month, payable on demand, and without notice or demand shall and will surrender peaceable possession of the Property to Trustee upon default or to the purchaser of the Property at the foreclosure sale.

25. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. ### Your accounts that may be considered negative

The most common items in this section are late payments, accounts that have been charged off or sent to collection, bankruptcies, liens, and judgments. It also may contain items that are not necessarily negative, but that a potential creditor might want to review more closely, such as an account that has been settled or transferred. This information is generally removed seven years from the initial missed payment that led to the delinquency. Missed payments and most public record items may remain on the credit report for up to seven years, except Chapters 7, 11 and 12 bankruptcies, which may remain for up to 10 years. Unpaid tax liens may remain for up to 10 years from the filing date, and paid tax liens may remain for up to seven years from the filing date. Transferred accounts that have not been past due remain up to 10 years after the date the account was transferred.

Re: Torrey v. JPMorgan Chase Bank N.A., No. 4:14-cv-01676, United States  
District Court, Eastern District of Missouri

Dear Ms. Torrey:

Enclosed is a letter that Chase requested that we forward to you. It concerns the upcoming renewal of the lender-placed insurance on your home.

As I mentioned in greater detail in my letter of January 5, the lender-placed policy is appropriate because you have not obtained mortgagee coverage. Please follow the instructions on the first page of the letter if you add mortgagee coverage to your current policy.

Very truly yours,

A handwritten signature in dark ink, appearing to read "Brian C. Walsh".

Dear CLORIS TORREY:

Because we did not have evidence that you had hazard (or homeowners) insurance on the property listed above, we bought insurance on your property and added the cost to your mortgage loan account.

The policy that we bought is scheduled to expire. **Because hazard insurance is required on your property, we intend to maintain insurance on your property by renewing or replacing the insurance we bought.**

The insurance we buy:

- **Will cost an estimated \$1,346.00 annually, which may be more expensive than insurance you can buy yourself.**
- **May not provide as much coverage as an insurance policy you buy yourself.**

If you buy hazard insurance, you should immediately provide us with your insurance information. You or your insurance agent can update your information online or send us a copy of your insurance policy or declaration page:

ST LOUIS, MO 63136

Dear CLORIS TORREY:

Because we did not receive evidence that you have hazard (or homeowners) insurance on the property listed above, we bought insurance on your property and added the cost to your mortgage loan account.

The policy that we bought is effective as of 05/29/2015. **Because hazard insurance is required on your property, we will continue to buy insurance for you until you purchase your own policy.**

The insurance we bought:

- **Costs \$1,346.00 annually, which may be more expensive than insurance you can buy yourself.**
- **May not provide as much coverage as an insurance policy you buy yourself.**

**We strongly recommend you purchase your own hazard policy.** The insurance policy we bought will remain in effect until you provide us with evidence of acceptable coverage. If you do, we will cancel the policy we purchased and you will receive a refund of any unearned premium.

If you buy hazard insurance, you should immediately provide us with your insurance information. You or your insurance agent can update your information online or send us a copy of your insurance policy or declaration page:
