ORDER OF CLARIFICATION

Issue Date: September 25, 2012

Effective Date: September 25, 2012

On September 25, 2012, the Commission issued an order holding this case in abeyance. That order stayed the procedural schedule that was in place. That order was not intended to prevent the parties from further developing their cases. The parties may continue to engage in discovery, technical conferences or settlement conferences at their discretion. If any discovery disputes develop, the parties may contact the Regulatory Law Judge to schedule a discovery conference. If the parties need to file supplemental testimony when a new procedural schedule is set, they may request leave at that time.

THE COMMISSION ORDERS THAT:

1. The Commission's September 25, 2012 "Order Staying Case and Holding Case in Abeyance" is clarified as set out in the body of this order.
2. This order shall become effective immediately upon issuance.

BY THE COMMISSION

Steven C. Reed
Secretary

Law Judge, by delegation of authority
pursuant to Section 386.240, RSMo 2000.
