File No. GO-2019-0091

MOTION FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), by and through counsel, and for its *Motion for Extension of Time*, states as follows:

1. On September 28, 2018, Liberty Utilities filed its *Verified Application of Liberty Utilities for Approval of a PVC Pipe Replacement Program and Recovery of the Associated Costs Through ISRS Mechanism and Contingent Motion for Waiver* ("Application") with the Missouri Public Service Commission ("Commission").

2. On November 13, 2018, the Commission issued its *Order Directing Filing of Staff Recommendation* ("Order"). The Order directed Staff to file a recommendation on the Application no later than December 28, 2018.

3. Many Data Request responses in this case were received on December 17, 2018. Staff has started to review this information but may need to follow-up with the Company on some subjects. Because of this and the holiday season, Staff requests that a new deadline of January 16, 2019 be set for Staff to file its recommendation. Staff has contacted the Company, and they do not object to an extension.

4. Staff respectfully requests that a new deadline of January 16, 2019 be set for Staff to file its recommendation.

WHEREFORE, Staff prays that the Commission will grant it until January 16, 2019 to complete its review and file its recommendation; and such other and further relief as the Commission deems just in these circumstances.

Respectfully Submitted,

/s/ Casi Aslin
