**Re: Comcast Digital Phone  
Termination of Interconnection and Reciprocal Compensation Agreements**

Dear Judge Woodruff:

In response to Staff's recent review of interconnection agreements on file with the Missouri Public Service Commission, we discovered an outdated Interconnection Agreement (ICA) with Comcast on the Commission's list of agreements that should be terminated. Because this Comcast ICA is no longer necessary, we request that the following Comcast ICA be terminated and the Commission's case data and records be updated accordingly:

Case Number	Date Filed	Date Approved	Company 1 Name	Company 2 Name
TK-2006-0372	3/29/2006	6/3/2006	Comcast Digital Phone	Verizon Wireless (CELLCO)

If you have any questions or need additional information, please contact me at your convenience.

Thank you for your attention to this matter.

Sincerely,

ELLINGER & ASSOCIATES
