ORDER GRANTING JOINT MOTION TO EXTEND TIME FOR TESTIMONY

Issue Date: September 15, 2010

Effective Date: September 15, 2010

On July 16, 2010, the Commission adopted the procedural schedule proposed by the parties which set filing dates for testimony, beginning with Ag Processing, Inc.'s direct on September 15, 2010. On that date AGP and KCP&L Greater Missouri Operations Company filed a joint motion to extend the testimony filing dates because of problems experienced by both parties concerning deposition transcripts and exhibits. They propose a new schedule for testimony but request no changes to the rest of the procedural schedule. Counsel for the Commission's Staff has no objection, and the Office of the Public Counsel has not taken positions in this case.

The Commission will grant the joint motion and establish the requested new testimony filing dates. The rest of the procedural schedule remains as established in the July 16, 2010 order.

THE COMMISSION ORDERS THAT:

1. The Joint Motion to Extend Time for Testimony is granted, and the following amended schedule for filing testimony is adopted.

Complainant's direct testimony	September 22, 2010
--------------------------------	--------------------

Respondent's testimony	October 22, 2010
------------------------	------------------

Complainant's rebuttal testimony	November 5, 2010
----------------------------------	------------------

2. This order shall become effective upon issuance

BY THE COMMISSION
