Case No. CD-2008-_____

**MOTION TO CANCEL CERTIFICATE OF SERVICE AUTHORITY
AND ACCOMPANYING TARIFF**

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and moves that the Commission cancel the certificate of service authority it granted to Globetel, Inc. to provide basic local exchange telecommunications services, as well as the company's tariff. In support of its Motion, Staff respectfully states as follows:

1. Globetel, Inc. received a certificate of service authority to provide basic local exchange telecommunications services in January, 2007 in Case No. CA-2007-0152. The company's tariff, Mo.P.S.C. No. 1, was approved in the same case.

2. Globetel, Inc. has now requested that Commission cancel its certificate of service authority because the company is no longer providing service in Missouri. See Appendix A.

3. No complaints have been filed against the company since the commencement of the Electronic Filing and Information System. Globetel, Inc. has paid all Commission assessments.

4. Because Globetel, Inc. has requested cancellation of its certificate, and because it is not providing telecommunications service, the Staff recommends that the Commission issue an order canceling its certificate of service authority to provide service.

5. The Commission has the authority to cancel a telecommunications corporation certificate pursuant to Section 392.410.5 RSMo (Supp. 2006), which provides:

"Any certificate of service authority may be altered or modified by the

commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

However, the Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo.App. 1989).

6. This pleading is being served on the address provided most recently by Globetel, Inc. to the Commission via certified mail.

WHEREFORE, the Staff requests that the Commission grant Staff’s Motion and cancel the certificate of service authority it granted to Globetel, Inc.. to provide basic local exchange telecommunications services in Case No. CA-2007-0152, as well as the company’s tariff, Mo.P.S.C. NO. 1.

Respectfully submitted,
