Hello Kim, I am still away for my treatments and still don't have a projected date as to when I will be home for any period of time to be able to continue with the findings in the case of Janet Parks vs MGE. So, I am asking for a continuance on this matter. Also, the replies to my request for my gas to be reconnected has been sent to me. I will address this immediately. More than likely I will be contacting an attorney as soon as I get back home. For the fact that MGE isn't at all trying to be reasonable. Until such time let it be known that I am still representing myself and will notify you of any different.

Respectfully Janet Parks
