Hello, my name is Ethel Brown. I am Ms Janet Parks' care taker. Ms Parks has taken a turn for the worse but is now stabilized and resting. She asked that I contact you in the event that she was not able to. To ask that you would you extend her time to meet with you concerning her claim against MGE. She asked that I give you this information also:

Janet Parks Complainant vs. Missouri Gas Energy
File No. GC-2011-0232

I'm not sure if I am wording this correctly but I am letting you know that Ms Parks' needs an extension in this matter. She will be contacting you herself as soon as she is able.

Ethel Brown, Caretaker.
