**Case No. GC-2011-0101**

**STATUS REPORT**

**COMES NOW** the Staff of the Missouri Public Service Commission (Staff) pursuant to the Regulatory Law Judge's request of Staff at the May 10, 2011 prehearing conference, and states the parties have discussed the case and the Commission approved procedural schedule. While there are currently no outstanding discovery matters at this time, the parties recognize there may be a need for additional discovery after testimony is filed. At this early stage in the procedural schedule, any productive settlement discussions among the parties appear to be premature.

**WHEREFORE**, the Staff prays the Commission accept its status report.

Respectfully submitted,

/s/ **Robert S. Berlin**
