ORDER GRANTING ADDITIONAL TIME FOR PRE-HEARING CONFERENCE

Issue Date: May 17, 2011 Effective Date: May 17, 2011

The Commission is granting Janet Parks' motion Requesting Additional Time Pre-Hearing Conference ("motion").

The Commission ordered the parties to file availability dates for a pre-hearing conference no later than April 18, 2011.1 When Ms. Parks failed to comply with that order, the Commission issued an order dated April 25, 2011, requiring Ms. Parks to show cause why she should not be dismissed. On May 3, 2011, Ms. Parks filed the motion setting forth the reason for, and duration of, a postponement of the pre-hearing conference. No party filed a response within the time allowed by regulation.²

Therefore, the Commission will grant the motion and accordingly set the pre-hearing conference by separate motion.
