## ORDER GRANTING INTERVENTION

Issue Date: January 22, 2010

Effective Date: January 22, 2010

On January 19, 2010, Noranda Aluminum, Inc. and the Missouri Department of Natural Resources filed timely applications to intervene. The requests to intervene establish that each entity has an interest in this contested case that is different from that of the general public. Further, those interests may be adversely affected by a final order arising from this case. No other party has opposed these applications for intervention in the time allowed by the Commission. Therefore, Commission Rule 4 CSR 240-2.075(4) authorizes the Commission to grant the requests to intervene.

### IT IS ORDERED THAT:

1. Noranda Aluminum, Inc.'s Application for Intervention is granted.
2. The Missouri Department of Natural Resources' Application for Intervention is granted.
3. This order shall become effective immediately upon issuance.
