Case No. EO-2002-427

Missouri Public
Service Commission

Submission of Quarterly Report on Form U-9C-3
for the Quarter Ended June 30, 2002.

Comes now Great Plains Energy Incorporated ("GPE"), and submits under seal as
"Proprietary" its Quarterly Report on Form U-9C-3 for the Quarter ended June 30, 2002. In
support thereof, GPE states:

1. GPE has indirect investments in "energy-related companies", as defined in Rule
58 of the Public Utility Holding Company Act of 1935 (the "Act"). GPE is required under Rule
58 to file with the Securities and Exchange Commission (the "SEC"), and with each state
commission having jurisdiction over the retail rates of the public utility subsidiary of GPE, a
Quarterly Report on Form U-9C-3. The referenced case was established to receive such reports.

2. GPE has filed with the SEC on a confidential basis, pursuant to Rule 104 of the
Act, its entire Quarterly Report on Form U-9C-3. This follows the practice of certain registered
holding company systems, including Ameren Corporation, of filing the entire report
confidentially with the SEC.

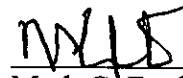

3. In conformance with the confidential filing of this report with the SEC, and with
the Commission's protective order in this case, GPE respectfully submits under seal eight copies
of its Quarterly Report on Form U-9C-3 for the period ended December 31, 2001 and requests
that it be afforded confidential treatment as "Proprietary Information".

4. Copies of this submission, and the report filed herewith, have been served upon Commission Staff and the Office of Public Counsel.

Wherefore, Great Plains Energy Incorporated respectfully submits its Quarterly Report on Form U-9C-3 under seal as "Proprietary Information", and requests that it be afforded confidential treatment pursuant to the Commission's protective order.

Dated August 29, 2002.

Respectfully submitted,
