ORDER CORRECTING REPORT AND ORDER

Issue Date: November 12, 2014

Effective Date: November 28, 2014

On October 29, 2014, the Commission issued a report and order regarding Summit Natural Gas of Missouri, Inc.'s tariff to implement a general rate increase. By its terms, that report and order will become effective on November 28. The first page of that report and order included a chart showing the estimated increase in customer rates authorized in the order, based on calculations prepared by the Commission's Staff in a reconciliation ordered by the Commission. This is the chart as it appeared in the report and order:

Service Territory	Percentage	Amount
Gallatin	24.87%	\$25.22
Warsaw	38.59%	\$41.18
Rogersville	27.39%	\$25.67
Rogersville Optional	19.22%	\$13.55
Branson	32.64%	\$34.84
Branson Optional	26.14%	\$13.71

On November 10, Staff filed a Notice of Correction explaining that it made a calculation error that overstated the amount and percentage of the increase ordered by the Commission.

According to Staff, this is the correct chart:

Service Territory	Percentage	Amount
Gallatin	11.82%	\$10.22
Warsaw	28.54%	\$26.18
Rogersville	18.72%	\$15.67
Rogersville Optional	19.22%	\$13.55
Branson	25.68%	\$24.84
Branson Optional	26.14%	\$13.71

The Commission will correct the Report and Order to include the revised chart submitted by Staff.

THE COMMISSION ORDERS THAT:

1. The Report and Order issued on October 29, 2014 is corrected as described in the body of this order.
2. This order shall be effective on November 28, 2014.
