NOTICE CLOSING CASE

Issue Date: May 29, 2007

On April 11, 2007, the Staff of the Commission filed a motion requesting that the Commission direct Laclede Gas Company to submit certain information to Staff which Laclede had agreed to provide as part of the stipulation in this case. Laclede responded on April 23, 2007, indicating that it had supplemented the information it previously provided to Staff and the Public Counsel, and would continue to work with Staff and other parties to ensure that their information requirements were met.

Staff responded on May 16, 2007. Staff stated that it expects to be able to work with Laclede to obtain additional information or answers concerning the information, and recommends that the case may be closed.

No further Commission action remains to be taken, and this case is now closed.
