**ORDER APPROVING TARIFF SHEETS IN COMPLIANCE
WITH REPORT AND ORDER**

Issue Date: July 26, 2007

Effective Date: August 31, 2007

On June 28, 2007, in accordance with the Commission's Report and Order issued in this case on February 22, 2007, Atmos Energy Corporation filed tariff sheets designed to implement its Energy Conservation and Efficiency Program. The tariff sheets, assigned Tariff No. YG-2007-0957, bear an effective date of August 31, 2007. Along with the tariff sheets, Atmos submitted a filing memorandum describing the program. The Commission set a July 20, 2007 deadline for parties to file responses or objections to Atmos' proposed tariff sheets and filing memorandum. No responses were filed.

The Commission's Staff filed its recommendation on July 13, 2007. Staff has examined Atmos' tariff filing and determined that it complies with the Report and Order. Staff therefore recommends that the Commission approve the tariff sheets to become effective August 31, 2007.

On July 24, 2007, Atmos filed a substitute page for Sheet No. 117, which included a telephone number that was not previously available. Atmos' filing indicated that Staff had no objection to this filing.

The Commission has reviewed Atmos' tariff sheets, as amended, Atmos' filing memorandum, and the Staff's verified recommendation, which are hereby admitted into evidence. Based on these filings, the Commission finds that Atmos' tariff is in compliance with the Report and Order and shall be approved as ordered below.

IT IS ORDERED THAT:

1. The tariff sheets filed by Atmos Energy Corporation on June 28, 2007, as amended on July 24, 2007, in Tariff File No. YG-2007-0957, are approved to become effective on August 31, 2007. The tariff sheets approved are:
