**Staff's Reconciliations**

**COMES NOW** the Staff of the Missouri Public Service Commission, by and through counsel, and hereby tenders the reconciliations ordered by the Commission to be filed before Noon on this date. The two attachments labelled "Attachment A" pertain to Cases GO-2016-0332 and GO-2016-0333, respectively, and present the values of the contested issues in revenue requirement terms; the two similar attachments labelled "Attachment B" present the billing determinants and rate impacts. Staff advises the Commission that it was not possible to perform a detailed reconciliation quantification as Staff normally attempt to do; but based upon the information available to Staff, these documents reflect a reasonable estimate of the value of the plastic pipe issue to be appealed by OPC.

**WHEREFORE**, Staff prays that the Commission will accept its *Reconciliations*; and grant such other and further relief as is just in the circumstances.

Respectfully submitted,

**/s/ Kevin A. Thompson**
