BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

Janet Parks Complainant

vs.

Missouri Gas Energy Respondent

File No. GC-2011-0232

March 29, 2012

"
My health care location hasn't changed yet. I am still not back in Belton, Missouri. If all goes as planned, early May I will be returning home to select physicians to care for me there. At that time I will be able to either hire an attorney that I can be in the same state with and communicate with or be able to bring this situation to a close myself.

This email is to inform you that I am not able to give a time or date as to when I can move forward on this issue between myself and MGE. Hopefully soon. I have two surgeries ahead of me and declining health. I need to know the outcome of both surgeries before I can predict a times or conditions.

I am asking that my complaint not be close or dismissed.

Respectfully,
Janet Parks
