**STATUS REPORT OF KCP&L GREATER
MISSOURI OPERATIONS COMPANY**

COMES NOW KCP&L Greater Missouri Operations Company (“GMO” or “Company”)¹ and hereby submits to the Commission a Status Report regarding John Maggard’s request for a change in electric supplier. GMO states:

1. After several attempts to contact Mr. Maggard by phone, on Thursday, April 12, 2012, a GMO representative spoke to Mr. Maggard regarding his service. During this call, GMO’s Supervisor of Construction and Maintenance told Mr. Maggard GMO would put his service back as it was at no cost to him. Mr. Maggard said he needed to talk with his son and asked GMO’s Supervisor to call him next week on Tuesday (April 17th).

2. Since that time, GMO has attempted to contact Mr. Maggard several times regarding the establishment of electric service to his property at no cost as discussed on April 12th. To date, Mr. Maggard has not returned the Company’s phone calls.

3. The Company opposes Mr. Maggard’s application to change electric supplier.

¹ Although the application filed in this matter designates Kansas City Power & Light as the service provider, Mr. Maggard is a customer of KCP&L Greater Missouri Operations Company.
