**KCP&L GREATER MISSOURI OPERATIONS COMPANY'S
RESPONSE TO ORDER DIRECTING FILING**

COMES NOW KCP&L Greater Missouri Operations Company (hereinafter "GMO"), pursuant to the Commission's *Order Granting Interventions and Order Directing Filing* issued December 27, 2010 ("December 27 Order") in this proceeding, and GMO's Request for Additional Time to Respond filed on January 10, 2011, and respectfully states as follows:

1. The Commission's December 27 Order granted GMO's application to intervene in this proceeding and, *inter alia*, ordered the Commission's Staff and GMO to "inform the Commission how they would like to proceed." Such responses were to be filed no later than January 10, 2011.

2. GMO's Request for Additional Time to Respond noted that GMO is supportive of the respective customer transfers from Osage Valley Electric Cooperative ("Osage") to GMO; however, due to intervening holiday schedules and other scheduling conflicts, Osage, Staff and GMO had not had the opportunity to discuss any remaining procedural issues involved herein. Accordingly, GMO requested that the response deadline referenced above be extended, for both GMO and Staff, to Thursday, January 20, 2011, and both Osage and Staff supported the relief requested therein.

3. It's GMO's understanding that the Commission's Staff will be filing its Recommendation in this matter this date, and that GMO and Osage will have the opportunity to file responsive pleadings thereto.

WHEREFORE, KCP&L Greater Missouri Operations Company respectfully submits its Response to the Commission's December 27 Order.

Respectfully submitted,
