3 JUDGE STEARLEY: Good afternoon. It's
4 Thursday July 8, 2010. The Missouri Public Service
5 Commission has set this time for a public hearing in
6 File Number GR-2010-0192, which Atmos Energy
7 Corporation seeks to implement a general rate
8 increase for its natural gas service in Missouri. My
9 name is Harold Stearley. I'm the regulatory law
10 judge presiding. We have actually been on location
11 in Sikeston for two hours now, kept this hearing
12 format open as a listening post to try to give people
13 a greater opportunity to participate. We've had one
14 gentleman arrive and get questions answered from the
15 various parties, and he has left. And we've had no
16 other person show up in attendance, so we are briefly
17 making a record to reflect that we have been here,
18 and I'll take entries of appearance from counsel
19 starting with Atmos Energy Corporation.

20 MR. DORITY: Thank you, Judge Stearley.
21 Appearing on behalf of Atmos Energy Corporation,
22 Larry W. Dority with the firm Fischer and Dority,
23 P.C. Our address is 101 Madison Street, Suite 400,
24 Jefferson City, Missouri 65101. Of course, for the
25 record, Judge, there are a number of representatives

1 of Atmos Energy Corporation here with me this
2 afternoon. Thank you.

3 JUDGE STEARLEY: Thank you, Mr. Dority.
4 For the Office of the Public Counsel.

5 MR. POSTON: Thank you. Marc Poston for
6 the Office of the Public Counsel and the public.

7 JUDGE STEARLEY: Thank you, Mr. Poston, and
8 for the staff of the Missouri Public Service
9 Commission.

10 MR. DEARMONT: Thank you, Judge. Eric
11 Dearmont on behalf of the Staff of the Missouri
12 Public Service Commission, PO Box 360, Jefferson
13 City, Missouri 65102.

14 JUDGE STEARLEY: All right. Thank you, Mr.
15 Dearmont. As I noted, we have no witnesses for
16 testimony, so we are just going to bring this to
17 conclusion, and the public hearing, slash, listening
18 post in Sikeston, Missouri for File Number
19 GR-2010-0192 is hereby adjourned. I thank you all
20 very much.
