Re: Granite Telecommunications, LLC Tariff Advice Letter No. 10

Dear Mr. Reed:

Granite Telecommunications, LLC (“Granite”) submits to the Missouri Public Service Commission this notice of compliance with the Federal Communications Commission’s (“FCC”) *Report and Order and Further Notice of Proposed Rulemaking*, in Docket Nos. WC Docket No. 10-90, et al., FCC 11-161,¹ *Second Order on Reconsideration* in Docket Nos. WC Docket No. 10-90, et al., FCC 12-47,² and Section 51.911(c) of the FCC’s rules, 47 C.F.R. §51.911(c).

Granite will comply with the above cited orders and rule by continuing to set its intrastate terminating rates at or below parity with the corresponding incumbent local exchange carriers rates in its operating territory that become effective July 1, 2015. Granite’s Missouri switched access tariff, Missouri P.S.C. Tariff No. 2, already adopts the corresponding compliant terminating access rates by citation to the Company’s Tariff F.C.C. No. 1, obviating the need for further intrastate tariff amendments to comply with the July 1, 2015 terminating access rate reductions. The Company’s F.C.C. Tariff No. 1 may be viewed at <https://apps.fcc.gov/etfs/public/tariff.action?idTariff=442>.

¹ *Connect America Fund et al.*, WC Dkt. No. 10-90 et al., *Report and Order and Further Notice of Proposed Rulemaking*, FCC 11-161 (rel. Nov. 18, 2011) (*USF/ICC Transformation Order*).

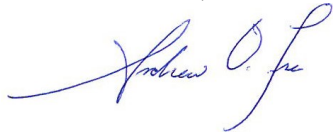

² *Id.*, *Report and Order and Further Notice of Proposed Rulemaking*, FCC 12-47 (rel. April 25, 2014)

Mr. Steven C. Reed
