APPLICATION FOR VIDEO SERVICE AUTHORIZATION

Green Hills Communications, Inc ("Green Hills" or "Company"), by and through its undersigned counsel, pursuant to Section 67.2679(7), RSMo 2000 (Cum. Supp. 2007), and in accordance with Missouri Public Service Commission ("Commission") Rule 4 CSR 240-2.060, hereby makes application for a video service authorization that will allow Green Hills to offer and supply video service and to construct, install, operate, and maintain a video service network in various political subdivisions and unincorporated areas within the state of Missouri. In support of its application, Green Hills states as follows:

1. Green Hills is a Missouri corporation with its principal office and place of business at 7926 NE State Rt. M, Breckenridge, Missouri 64625. A copy of Green Hills' Certificate of Good Standing, issued by the Secretary of State of Missouri, is attached to this application as Appendix A and is incorporated herein by reference.

2. There are no final unsatisfied judgments or decisions pending against Green Hills from any federal or state agency or court that involve customer service or rates, and Green Hills has no annual report or assessment fees that are overdue.

WHEREFORE, Green Hills requests the Commission to grant this application and to issue, within thirty (30) days of the filing date of this application, a video service authorization that allows the Company to construct a video service network along, across, or on public rights-of-way for the delivery of video service and to provide video service in each of the political subdivisions and communities listed in paragraph 6 of this application.
