

BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

In the Matter of a Working Case to Draft a Rule)
Regarding Natural Gas Safety Requirements)

File No. GW-2015-0321

ORDER ESTABLISHING TIME TO SUBMIT COMMENTS IN RESPONSE TO STAFF'S DRAFT AMENDMENTS TO THE COMMISSION'S GAS SAFETY RULES

Issue Date: February 1, 2016

Effective Date: February 1, 2016

The Commission opened this file to assist its Staff in its review of the Commission's gas pipeline safety rules. Staff has undertaken that review and has drafted proposed rule revisions that it wishes to submit to interested stakeholders for review before those rules are submitted to the Commission for formal promulgation. To that end, Staff has asked the Commission to issue an order establishing a time for the submission of such informal comments. The Commission will do so.

The Commission emphasizes that this is still an informal review process. If the Commission decides to proceed with the rulemaking, a formal comment period will be established, as required by statute.

THE COMMISSION ORDERS THAT:

1. Any interested stakeholder wishing to submit a comment to Staff regarding its draft rule revision shall do so no later than March 2, 2016.

2. This order shall be effective when issued.
