**ORDER GRANTING MOTION TO EXTEND FILING DATE**

Issue Date: January 4, 2007

Effective Date: January 4, 2007

By order issued June 2, 2006, the Commission set January 12, 2007, as the date for the parties to file simultaneous briefs and proposed findings of fact and conclusions of law. On January 2, 2007, Atmos Energy Corporation filed a motion to extend that filing date until January 19, 2007. Atmos states that its motion is filed on behalf of and with the agreement of the other parties. Atmos relates that the transcript was filed on December 18, 2006, just prior to the intervening holiday period. Further, Atmos notes that the operation-of-law date is on or about March 7, 2007, and suggests that a one-week extension of the filing date is reasonable under the circumstances.

The Commission has considered the motion and finds it reasonable to extend the filing date as requested by Atmos, on behalf of itself and the other parties.

**IT IS ORDERED THAT:**

1. The Motion to Extend Filing Date is granted.
2. Simultaneous briefs and proposed findings of fact and conclusions of law shall be filed no later than January 19, 2007.

3. This order shall become effective on January 4, 2007.
