ORDER SUSPENDING FILING REQUIREMENTS

Issue Date: November 18, 2015

Effective Date: November 18, 2015

On November 16, 2015, the Commission's Staff filed a status report and requested additional time to file a report of its investigation of this matter until after an answer has been filed. On November 17, 2015, Commerce Tower Group, LLC and Veolia Energy Kansas City, Inc. ("Veolia") jointly filed a notice that the parties have agreed in principle to resolving all the issues in the complaint and a request that the Commission stay Veolia's deadline to file an answer to the complaint. The Commission finds the requests reasonable and will suspend the filing requirements for Staff to submit an investigation report and Veolia to file an answer to the complaint.

THE COMMISSION ORDERS THAT:

1. The filing requirements for the Commission's Staff to file an investigation report and Veolia Energy Kansas City, Inc. to file an answer or other response to the complaint are suspended until further order of the Commission.

2. This order shall be effective when issued.
