STAFF'S RECOMMENDATION TO APPROVE TARIFF SHEET

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and, for its recommendation to approve tariff sheet, respectfully states:

1. In the attached Memorandum (Appendix A) the Staff recommends the Missouri Public Service Commission (Commission) approve the tariff sheet Aquila filed on July 11, 2008, to become effective September 1, 2008. Aquila filed the tariff sheet to make a quarterly cost adjustment required as part of the Stipulation and Agreement approved by the Commission in Case No. HR-2005-0450. That Stipulation and Agreement includes a “fuel rider” that requires quarterly rate adjustments, with not more frequent than annual true-ups.

2. Staff has reviewed the tariff sheet and is of the opinion that the quarterly cost adjustment for the 2008 Q2 has been calculated in accordance with the provisions of the Quarterly Cost Adjustment Rider tariff sheet and complies with the Commission’s Order in HR-2005-0450.

3. The Staff recommends the Commission issue an order approving the proposed tariff sheet to be effective September 1, 2008, or allow the sheet to go into effect by operation of law.

WHEREFORE, the Staff of the Missouri Public Service Commission recommends the Commission either approve to become effective September 1, 2008 or allow to go into effect by

operation of law on September 1, 2008, the Tariff Sheet Aquila, Inc. d/b/a Aquila Networks–
L&P filed on July 11, 2008, to wit:

P.S.C. MO. No. 1

9th Revised Sheet No. 6.5 Canceling 8th Revised Sheet No. 6.5

Respectfully submitted,

/s/ Nathan Williams

SUBJECT: Staff Recommendation For **Approval** Of Tariff Sheet To Add The Quarterly Cost Adjustment For 2008 Second Quarter To Its Quarterly Cost Adjustment Rider

DATE: August 11, 2008

On July 11, 2008, Aquila, Inc. d/b/a Aquila Networks – L&P (Aquila or Company) of Kansas City, Missouri, filed with the Commission one (1) tariff sheet with an issue date of July 11, 2008, and a proposed effective date of September 1, 2008, to add the quarterly cost adjustment for the second quarter of 2008 as required by Company's Quarterly Cost Adjustment Rider, which the Commission approved in Case No. HR-2005-0450.

The Commission assigned Case No. HR-2007-0028 for the filings during the initial audit period (Q206 – Q406) and any subsequent prudence review and true-up of the revenues collected during that audit period. The Commission assigned Case No. HR-2007-0399 for the second audit period (Q107 – Q407). The Commission assigned Case No. HR-2008-0340 for the third audit period (Q108 – Q408). Aquila's filing included workpapers consisting of four worksheets showing its calculation of the quarterly cost adjustment for the second quarter of 2008.

The Commission's Energy Department Staff (Staff) has reviewed the proposed tariff sheet, and based on the Company's workpapers Staff is of the opinion that the quarterly cost adjustment for the second quarter of 2008 (Q208) has been calculated in accordance with the provisions of the Quarterly Cost Adjustment Rider. Staff therefore recommends that the Commission approve the following proposed tariff sheet, as filed on July 11, 2008, to become effective on September 1, 2008, as requested by Aquila, or permit the tariff sheet to go into effect by operation-of-law:

P.S.C. MO. No. 1

9th Revised Sheet No. 6.5 Canceling 8th Revised Sheet No. 6.5

The Staff has verified that this Company is not delinquent on any assessment or the filing of its 2007 annual report. The Staff is not aware of any other matter pending before the Commission that affects or is affected by this tariff filing.
